

The following three packages are available:

A - £650
The photographer will provide a day's coverage of up to 7 hours from the arrival of guests at the ceremony until the couple's first dance. A set of approximately 150 unique digital images will be provided at full resolution on a CD in a presentation case. A hardback 8x6 (A5) custom 30-side photobook will be designed, arranged with approximately 60 photos.

B - £800
The photographer will provide extended coverage of up to 8 hours, either arriving early to capture the bridal preparation or staying late until the couple leaves. A set of approximately 180 unique digital images will be provided at full resolution on CD in a presentation case. A hardback 12x8 (A4) custom 30-side photobook will be designed, arranged with approximately 90 photos.

C - £950
The photographer will provide full coverage from bridal preparation through till the end of the evening when the couple leave. With a whole day's coverage a set of at least 200 unique digital images will be provided at full resolution on a CD in a presentation case. A hardback 12x12 custom 30-side photobook will be designed, arranged with approximately 120 photos.

These package options are guides as to what can be provided. Not everyone's requirements are the same so, where possible, amendments may be made to create a custom package that suits you.
